- f. Persons considered for committee work at the regional level should have exhibited some involvement in professional activities.

4. General Responsibilities

A Reimbursement Claim Form should be signed by the committee chairperson and submitted to the Treasurer for reimbursement of expenses.
- g. Frequently, when an association officer is present, the officer may use the association's debit card to pay for group meals for the committee. In this case, the officer will turn in the receipt to the Treasurer and indicate it as a charge to the committee budget.
- h. At group meals, if spouses of committee members are present, the committee member is expected to pay for that meal separately. However, the Board realizes that many restaurants will not split tickets for large parties. Committee members should be advised that spouse attendance

at a group meal should be pre-arranged with the committee chair and should agree to the amount to be reimbursed to the Association for the spouse's meal.

When the receivable is the result of unpaid membership dues, late fees, or unpaid sponsor fees, etc., the Treasurer will notify the forward year Conference Registrar and attempt to collect at the point when future participation is anticipated. Registration will not be permitted to those with outstanding debts to the Association.

B. Reserve Fund Policy

1. Purpose

The Reserve Fund has been established as capital reserve for the Association to be set aside for contingencies.

2. Fund Levels

The level of funds to be maintained in the Reserve Fund will be a minimum of \$20,000. The Reserve Fund shall be subject to annual review by the Finance Committee and quarterly review by the Board. Any change in the amount of the fund shall require a majority vote of the Board of Directors.

3. Use of the Reserve Fund

The intent of the Reserve Fund is to have the funds available to meet unusual income shortfalls. Any withdrawal from the fund is defined as capital liquidation and therefore should be considered an extreme measure. Withdrawals from this fund require a majority vote of the Board of Directors.

4. The Reserve Fund Account

The Reserve Fund shall be so identified and maintained separately from the Association's operating account and managed according to sound financial investment policies. A separate report format shall be a part of any Treasurer's report detailing the balance of the fund and interest earned. Any adjustment required to maintain the reserve requirement shall be made at least annually. Interest earned from the reserve fund may remain with the account.

C. Revenue and Expenditures Policy

It is essential that ALL SWASFAA funds are managed by the Treasurer, all income deposited into a SWASFAA account and all expenses paid from one account. This will simplify and expedite the filing of the IRS tax return and the annual audit or financial review. It also facilitates cash flow and maximizes interest income. The following outline details specific policies and procedures with respect to SWASFAA's funds management.

1. The Treasurer shall have sole responsibility for all of SWASFAA's financial transactions including:

a. Writing of all checks

 - i. Debit/credit cards may only be used for charges that are related to SWASFAA travel and expense guidelines. Debit/credit card charges for items not related to official SWASFAA duties may result in the termination of debit/credit card privileges and require the holder to surrender the card to the SWASFAA Treasurer. The SWASFAA Board realizes that in some circumstances (i.e., arranging flight seating, meals, and taxi) officers traveling with spouses may be inconvenienced to split tickets onto separate cards. In cases where a spouse's charges are included with other SWASFAA expenses, the officer must immediately reimburse SWASFAA for the charges at the completion of the travel. The use of cards for shopping or non-SWASFAA-related purchases is strictly prohibited.
 - j. ALL SWASFAA income and expenses shall pass through this account
 - (1) All deposits will be made in a timely fashion (at least twice monthly)

F. Contract Signing Policy

1. Purchases, commitments, contracts, etc., which are greater than \$750 require a written contract. Contracts which are greater than \$5000 require the Board of Director's approval before the President is authorized to sign contracts on SWASFSA's behalf.
2. Contracts, which involve hotels and/or conference center properties, will be reviewed by the Site Selection Chair prior to the President's signature.

G. Travel Policy

1. Officer Travel Policy

Several times during the course of a membership year, SWASFSA Officers are requested to make appearances at State Conferences. SWASFSA encourages and will assume the financial responsibility of sending the President, or, in his/her absence, another member delegated by the President to these conferences.

- a. Any state that requests the presence of the President at its state meeting or conference should note that SWASFSA does encourage this type of participation and that this policy is established with the hope that all states will invite the SWASFSA President to their functions whenever possible. SWASFSA will pay expenses for the flight and meals for the President to attend one state meeting a year. The states are responsible for the President's lodging and registration fee. If a state wishes to have the president in attendance at more than one meeting, all costs will be at the state's expense.
- b. SWASFSA will pay all incurred expenses of the President, Secretary, and Treasurer to the SWASFSA annual conference. In addition, SWASFSA will pay the conference fee and room expenses for the President-Elect and Immediate Past President to attend the annual conference.
- c. SWASFSA will pay expenses of the President Elect to meetings of the NASFSA Board of Directors. NASFSA will pay expenses of the President and Past President to attend meetings of the NASFSA Board of Directors, except for the meeting held in conjunction with the National Conference. For that meeting airfare or travel to that meeting will only be paid for the President. NASFSA will pay room and per diem for expenses relative to the Board Meetings. SWASFSA will pay for all expenses for the NASFSA conference for the President which includes, conference fee, travel, room, and meals.

2. General Travel Policy

- a. Members of the Board will receive reimbursement for travel expenses related to attendance at Board Meetings. Exceptions to this will be to the SWASFSA Annual Conference. For the board meeting directly preceding the annual conference, SWASFSA will pay for one (1) hotel night (typically the night prior to the conference). The exception to this will be the President, President-Elect, Immediate Past President, Secretary and Treasurer, where all hotel nights for the board meeting and conference will be paid (see G.1.b).
- b. SWASFSA committee members will receive reimbursement for travel expenses related to attendance at committee meetings following the guidelines below.

1. All travel associated with committee work should be authorized by the President prior to the scheduled meeting.
2. Air reservations should be made as early as possible in order to take advantage of low rates (i.e., "super-saver fares"). Travel agents should be asked about special rates since they do not always offer the special rate unless asked. If a flight is over \$500, the person booking the flight must seek approval from the president before making the travel arrangements. Upgrades such as advanced boarding or flight insurance are not included in the reimbursement for Airfare. Baggage charges for overnight flights will not be paid for by SWAFAA unless approved by the President or his/her designee'.
3. Recommended tip amounts are \$1-2 to porters, baggage carriers, bellhops, cab drivers, shuttle drivers, housekeepers, etc. Tips may not exceed \$3 per day. Receipts are not required.
4. Reimbursement Claim Forms must be signed by the claimant, by the appropriate committee chair, AND the President before payment may be made. The President must approve requested reimbursement of the committee chair's expenses and can request additional documentation to clarify reimbursement if needed. Reimbursement of the President's expenses must be approved by the immediate Past-President. If the appropriate committee chair and/or President have not signed the submitted voucher, the Treasurer must document approval via an e-mail from the appropriate person authorizing the requested reimbursement of the expenses.
5. Deadline for submission: In order to receive reimbursement for approved travel expenses, the SWASFAA Reimbursement Claim Form should be received by the Treasurer within 30 days of the travel date.
6. The Board of Directors has approved the use of electronic claim forms. In lieu of 'wet' signatures, the Treasurer is authorized to accept electronic claim forms submitted directly from the approving officer. Scanned or faxed claim forms and receipts must be submitted to the approving officer. The approving officer will review and sign the claim form and submit scanned or faxed copies of the signed claim forms and receipts to the treasurer for reimbursement.
7. Required Receipts
 - a. Transportation: The original receipt (final copy of the airline ticket or itinerary/invoice for ticketless travel) is required for airfare reimbursement. When traveling by air, delegates shall travel air coach except in those cases when scheduling difficulties or other considerations make first-class travel necessary. If a delegate is using a private car, he/she will be reimbursed at the IRS rate per mile. Normally this is not to exceed the cost of coach airfare. To receive reimbursement, a copy of a searched airfare costs should be attached to mileage reimbursement requests unless the distance to the location is close by and it is common practice to drive to the location of the meeting. In some instances, mileage could be more than airfare such as instances where the individual lives quite a distance from the airport and would have to receive mileage plus airfare. This will be evaluated on a case-by-case basis by the committee chair and/or the President.
 - b. Lodging: Itemized billing from the hotel must be submitted unless the room is billed on a master billing. Lodging must be itemized by the day on the expense claim form.
 - c. Parking: Receipts are required for parking charges.
 - d. Taxi or Ferry: Ground transportation to and from meeting facilities/lodging facilities shall be approved, provided they are reasonable. In addition, rental cars needed to reach a required destination must be approved by the President and Treasurer in advance of the expenditure. Receipts are required for charges in excess of \$25.
 - e. Miscellaneous Expenses: Whenever possible, receipts are requested for miscellaneous expenses in excess of \$10 per day and should be itemized on the travel claim form.

- c. SWASFAA adheres to the domestic per diem rates as specified by the U.S. General Services Administration (GSA), which can be found at <http://www.gsa.gov/portal/content/110007>. If a meal is provided at the meeting, other eating arrangements will be a personal expense. Meal allowance amount will include between 15-20% gratuity. Receipts are generally required for reimbursement of meals and should include the itemized transaction amounts rather than only the final bill amount. For group meals, a list of names of people who attended the meal should be attached to the receipt or documentation. In some cases, the Treasurer may waive the requirement for a receipt for a meal charge claimed on the reimbursement form in advance of the meal (i.e., reimbursing a board member for the trip home meal at the board meeting).

H. Resolutions Policy

1. Origin of Resolutions

Resolutions may originate, be developed, and submitted by any individual SWASFAA member alone or in concert with other(s) directly to the President or through any of the following channels:

- a. Member-state Associations
- b. Any member-state committees and/or their chairperson
- c. SWASFAA's Board of Directors
- d. Individual member representatives

2. Time of Submission

Ordinarily, resolutions should be submitted to the President (to the chair and/or any member) at least one month in advance of the Annual Conference business meeting. This is necessary in order for the Board to properly review, edit, and combine the various proposals submitted. Resolutions will not be accepted after this deadline unless the Board of Directors deems the circumstances warrant a late submission.

3. Form and Content

The resolutions must be prepared with care so as to avoid ambiguity and confusion as to their content. Any introductory remarks when found necessary should be concise and as briefly stated as possible.

4. Editing Privileges and Responsibilities

- a. The Board of Directors must review and clear all resolutions to ensure their compliance with SWASFAA's Articles of Incorporation, Constitution, and By-Laws.
- b. The Board is responsible for eliminating duplication, combining related proposals, and editing for corrections, brevity, and clarity.
- c. The Secretary will present the resolutions in writing to the membership at the Annual Conference.

I. Alcohol Policy

For GROUP MEALS of the Board of Directors and SWASFAA Committees with one check or master billing, alcohol is to be excluded from the bill, as SWASFAA will not pay for alcohol. Members are responsible for paying for their own alcoholic beverages.

SWASFAA Committee Chairs are responsible for the compliance to this policy as it affects master billing or a group meal check. Committee Chairs are strongly encouraged to request separate checks whenever possible, and encourage members, when dining in a group, to do the same. Reimbursement Claim Forms received without proper documentation and breakdown will be returned to the Committee Chair for review, correction, and approval.

J. Label Policy

1. All requests for labels and/or rosters of the membership will be made to the SWASFAA Treasurer who will approve and coordinate all orders.

It is recommended that you unsubscribe or suspend your subscription by visiting the "listserv" link on swasfaa.org prior to your absence. Follow the instructions for managing your subscription.
4. Messages to SwasfaaL are to be kept "on topic"; they should be related to the administration of financial aid.
5. SwasfaaL is not to be used for business purposes. Implicit in this statement is advertising. For-profit, nonprofit, and government entities are not permitted to use SwasfaaL as a vehicle for advertising their products or services. This includes products and services for which there is no cost. Service and operational announcements by these entities can be made if they are open to all members of SWASFAA and do not promote the entity or its products. Job change announcements should be for informational purposes (i.e. new company, title, phone numbers, address) and not include any promotion of the institution or company. Exceptions to this policy can only be approved by the SWASFAA Board.
6. "Job Wanted" postings are not permitted. Rather, we suggest that you reflect your availability in your signature area.
For example: Advisor position sought: www.myschool.edu/smiths_resume.html
7. "Position Available" postings are permitted. These should be absent any advertisement promoting the institution or company with the position available. The emphasis should be on the open position, not the institution or company.
8. Virus messages, e-mail scams, and the like are not permitted. In general, our individual organizations should have policies in place to deal with these threats (virus software, for example). SwasfaaL should not be the vehicle for those types of announcements. Exception: If your information regarding a threat has specific and direct bearing on the Financial Aid community, please contact the Electronic Initiatives Committee Chair for clearance.

9. Postings in excess of 200 lines are rejected. Shorten the message, or provide a URL in the body of the message to point to other relevant information.
10. When posting messages with attachments, "plain text" attachments are encouraged for the convenience of the readers.
11. The SwasfaaL Digest is generated daily. If collective size of postings on a particular day exceeds 30Kb, the Digest is generated immediately, and also at the scheduled time.
12. Replies to a message distributed via SwasfaaL are set to default back to the poster of the original message. You can redirect your reply to all of SwasfaaL, as appropriate, by manipulating the TO: address in your message.
13. TEST messages are not permitted. If you have difficulty posting or are in need of further assistance, please contact support@swasfaa.org.
14. Subscriptions for individuals whose e-mail bounces for five days will be suspended. Since bouncing e-mail is evidence of a problem somewhere, the only awareness you may have of the situation may be the absence of SwasfaaL postings in your mailbox. Contact support@swasfaa.org if you feel you have been suspended.

Below are policies and procedures that are applicable to all entities that desire either to support SWASFAA activities as a non-exhibitor, as an exhibitor at the SWASFAA conference, or as an advertiser in a SWASFAA publication. These policies and procedures will clarify our relationship with the entities that support our efforts in a manner that is consistent with the SWASFAA Code of Conduct in avoiding any appearance of conflict of interest.

1. Purpose: To help defray the cost of professional development for individuals who would otherwise not be able to attend the SWASFAA Annual Conference or other SWASFAA activities/training due to institutional budgetary constraints.
2. Criteria: The Awards Committee will review applications considering budgetary constraints, individual desire for professional growth, job responsibilities and attendance at previous SWASFAA conferences/training. All applicants must be from SWASFAA voting member institutions. Preference will be given to one recipient from each state. In case of unusual circumstances additional recipients could be considered upon recommendation from the committee to the Board. The number and amount of scholarships to award will be determined during the budget process upon recommendations to the Board by the Awards and Finance Committees.
3. Application Process: The applicant must complete the SWASFAA Professional Development Scholarship Application
4. Scholarship Application Deadline: Three months prior to conference and/or training. This allows one month for the committee to determine the scholarship recipients and notify each recipient. The selected recipients would need to accept the scholarship or it will be awarded to another applicant. All scholarship awards must be confirmed one month prior to conference.
5. Amount of Scholarship: The amount of the scholarship may include the cost of registration fees and up to two nights lodging expenses. Each recipient will be provided a copy of these guidelines upon notification that their application has been selected/approved. At that time, the recipient will be responsible for coordinating registration fee and lodging expense with the SWASFAA Treasurer.
6. Award Notification: The SWASFAA Awards Committee will notify the scholarship recipients of their selection, the amount of the award and instructions. All applicants will be notified of the selection results no later than one month prior to the annual conference or two weeks prior to the training activity.

R. Social Media Policy

All social media should be relevant to the field of financial aid in some manner. These could include, but are not limited to: SWASFAA event information, event information for the states in the region, articles, training information, Department of Education communications, professional development opportunities, or other information that may directly impact financial aid administrators, students, parents, counselors, or those who may be impacted by financial aid in some way.

Posts will be limited to sharing information from other professional aid associations and/or SWASFAA associate members in good standing. Events or information pertaining to vendors or sponsors that could be construed as a marketing or advertising opportunity are not to be posted.

While the Electronic Initiatives Committee Chair will manage the social media presence, the President, Conference Chair, Archives Committee, and others deemed necessary will be allowed access to create posts as well.

Any social media presence is intended to supplement the SWASFAA website and listserv, but is not intended to replace either of those functions.

Student specific information is never to be posted in a social media forum. Work-related, personal, or institutional grievances are not to be discussed.

SWASFAA welcomes constructive and civil debate and exchanges, however content that is disrespectful, critical, hostile, profane, inflammatory, threatening, rude, or otherwise deemed inappropriate, SWASFAA reserves the right to remove such commentary and/or language.

Photos taken at financial aid related events may be posted. However, if a request to remove a photograph is made from an individual in said photograph, that request will be honored as quickly as possible.

SWASFAA will not be held legally responsible for users' commentary.

S. SWASFAA Blog Policies

The SWASFAA Blog, also known as SWASFAA Chatter, is intended to give subscribers an “inside look” at the goings-on of SWASFAA and its members. It may also be used to provide real-time information or opinions of the SWASFAA board, financial aid-related events, and current topics in the financial aid community. The blog is not intended to replace the listserv or the website or their functions; however, it should be used as a communication resource to keep the association informed on a variety of topics that are related to financial aid or to the SWASFAA community. The administration of the blog will be handled by the Electronic Initiatives Committee.

Posts to the blog should adhere to the following policies:

1. All posts should be related to the administration of financial aid or SWASFAA activities.
2. Blog entries are not to be used for business purposes. Implicit in this statement is advertising. For-profit, nonprofit, and government entities are not permitted to use the blog as a vehicle for advertising their products or services. This includes products and services for which there is no cost. Service and operational announcements by these entities can be made if they are open to all members of SWASFAA and do not promote the entity or its products. Exceptions to this policy must be approved by the SWASFAA Board.
3. The Board of Directors and Committee Chairs may use the blog as a vehicle for promoting SWASFAA-related events and initiatives. SWASFAA members may also submit blog entries that are related to the administration of financial aid.
4. The Electronic Initiatives Chair must approve all submitted blog posts before they are published. If the appropriateness of the content in the entry is questionable, the Electronic Initiatives Chair may seek approval of the Electronic Initiatives Committee or the Board of Directors before approving a blog post.

V. Nominations and Elections Guidelines

Strong leadership is essential to a strong association. The following guidelines have been developed to ensure that the best people are nominated and elected to office.

A. Authority

Nominations and elections policies and procedures are approved by the Board of Directors upon recommendation of the Nominations and Elections Committee.

B. Nominations Procedures

There are many tasks that must be accomplished so that qualified (defined as an active member of the association) people will be nominated and the best possible candidates selected for election. The Nominations and Election Committee Chair shall call for recommendations from the entire membership. These recommendations should be accompanied by a mini-résumé to assist the committee in making final selections for the slate.

C. Information Dissemination

In developing the slates of candidates for positions in SWASFAA, the Association is committed to striving for the widest participation possible by all members of the Association. In order to achieve this objective, the following procedures shall be followed:

1. At least sixty (60) days prior to the deadline for nominations, the NEC shall announce to the membership information about the nominations and elections procedures including a list of the NEC members, the positions for which nominations are sought, nominating procedures, election procedures, and the requirement that persons nominated must hold regular membership in the Association.
2. At least sixty (60) days prior to the deadline for nominations, the Chair of the NEC shall send information similar to that contained in the announcements to the general membership directly to the state association presidents. The NEC shall invite them to encourage participation of SWASFAA members in the nominations and election process.

D. Candidate Information

Each nomination submitted should be accompanied by the SWASFAA Nominations and Elections forms designated for this purpose.

E. Submission of Nominations

Nominations from the SWASFAA members shall be submitted in writing to the NEC Chair and received by July 1 each year.

The NEC may seek additional candidates provided they are recruited prior to the meeting during which the NEC selects the slate for the ballot.

F. Developing the Slate of Candidates

1. Elections of Delegates-at-Large from Arkansas, Louisiana, and New Mexico shall be in alternate years from Oklahoma and Texas. Further, the election of the Secretary shall be at the same time as delegates from Oklahoma and Texas.
2. The Chair will certify the nominees as eligible for nomination, reproduce the information received from the nominees, and distribute it to each member of the NEC as it is received.
3. If a résumé is not received by the close of the July Nominations and Elections Committee meeting (the meeting to choose the slate), the candidates will not be considered for a place on the ballot.

This information should be presented in writing to all candidates who are nominated, and the Nominations and Elections Committee Members should follow-up with those candidates. The NEC shall develop the official slate no later than July 31. Nominees may be selected from among those names submitted by others or from names that the NEC has recruited. Additionally, the following policies shall apply to all offices:

- a. The slate shall contain the names of only two candidates per office.
- b. To achieve broad and equitable balance in selecting the two candidates for each office, the NEC will study the qualifications of individuals and representation by types of institutions, states, race, and sex and will select the most qualified individuals.

G. Elections Procedures

By August 1 or as soon as the slate of candidates is finalized, the NEC Chair shall prepare the mechanics of the election. This shall include the following:

1. Contact the Chair of the Electronics Initiative Committee to:
 - a. Review and re-establish with the Service Provider the mechanical procedures for the election.
 - b. Submit collected photos, résumés and statements of candidacy to the Chair of the Electronic Initiatives Committee for use in creating the electronic ballot.
 - i. A résumé should be no more than one page for each candidate nominated.
 - ii. A statement of candidacy should not exceed one page for each candidate for President-Elect.
2. Ballots shall have a space provided for the write-in of candidates.
3. Contact the Treasurer to request a list of eligible voting members for the Service Provider to establish the usernames and passwords.
4. Notify potential voters, through the SWASFAA listserv or similar means, of the upcoming election procedures.
5. Make ballots available electronically through e-mail notification to the designated voting member of each regular member institution of their usernames and passwords as well as the voting instructions and the deadline date clearly indicated.
6. Voting by proxy will not be permitted.
7. Ten (10) business days following the initial notification to eligible voting members that the voting process has begun, electronic voting should be disabled and final ballots received.

H. Counting of Ballots

1. The NEC Chair is responsible for verifying and tabulating the results of the election. At least one other SWASFAA Board of Directors member or NEC Committee member should verify the tabulated results.
2. Votes will be tabulated, recorded, and the results turned over to the NEC Chair, who will then submit written results of the election to the Board of Directors.
3. The NEC chair, upon final election results being submitted to the SWASFAA Board of Directors, shall notify candidates of the results of the election.

I. Required Number of Votes to Win

For any position covered by these guidelines, the number of votes required to win an election is a plurality of the votes cast.

In the case of a tie vote, the NEC shall conduct a run-off election as soon as the electronic process can be set up on the Association web site. The NEC Chair will notify the membership of the run-off election procedures ten (10) business days prior to the start of voting. Ballots will be open for no more than ten (10) business days.

J. Announcement of Election Results

Results of the election will be announced to the membership at a business session of the Association prior to the end of the Conference and will be published to the listserv following the elections.
